

CIRCULAR TO COUNTY WARDENS.

TORONTO, 20th January, 1852.

I am prepared to furnish Assessment Rolls for the Townships, Towns and Villages in Upper Canada, on good paper, made out in conformity with the requirements of the various Acts of Parliament in force in relation thereto, including the new enactments of the last Session of the Legislature. I supplied the majority of the Municipalities in Upper Canada with these forms last year, and it will afford me pleasure to be called on to do so for the present year. In consequence of the additions made to the forms by the Acts of last Session, the Assessment Rolls will have to be printed on larger paper.

My object in addressing this Circular to you, is, to solicit the favor of your bringing it under the notice of the Reeves of the various Municipalities, at the Meeting of the County Council, on Monday the 26th instant, that they may make arrangements, either through the County Clerk, or otherwise, to order from me supplies of these forms, for their respective Municipalities. The orders should be made out for specific quantities of each form, stating whether they are required for a Township, Town or Village,—in the following manner:—

- Quires or Sheets Assessment Rolls.
- Quires or Sheets Non-resident Rolls.
- Quires or Sheets Notices to parties Assessed.
- Quires or Sheets Duties of Assessors.

It is desirable that the orders should be sent as early as possible.

HUGH SCOBIE,

Printer and Publisher,

Toronto.
